1.1 Subscription and parties

Willow Quay Private Credit Fund I, L.P. (the "Fund") offers limited partnership interests to the applicant identified in Schedule A. Willow Quay GP LLC (the "General Partner") accepts subscriptions on behalf of the Fund. Delivery of an application does not constitute acceptance.

1.2 Definitions

"Investor" means an applicant whose subscription has been accepted by the General Partner. "Business Day" means a day other than Saturday, Sunday or a New York banking holiday. The Fund and the General Partner are separate entities.

1.3 Commitment

The minimum initial investment is USD 250,000. This amount applies to Class A investors at the December 15, 2026 closing. An additional contribution by an existing Investor must be at least USD 25,000. The commitment entered in Schedule A is a total commitment, rather than a payment due on signature.

1.4 Subscription materials

The applicant must complete Schedule A to this agreement, delivered as Investor Details.docx. The applicant should also read the Private Placement Memorandum dated October 30, 2026. The Fund will deliver an IRS Schedule K-1 after the applicable tax year; that future tax form is not a required subscription attachment.

2.1 Investor information

An entity applicant must provide its legal name, jurisdiction of formation, registration identifier and registered address. A natural-person applicant must provide legal name, residence address and date of birth. The fields are alternatives according to the applicant's legal form.

2.2 Authority and signatures

An entity applicant must appoint one authorized signatory. The signatory must state a title and confirm authority to bind the applicant. A natural-person applicant signs in an individual capacity. The administrator records receipt separately from the General Partner's dated acceptance.

2.3 Payment and notices

The administrator will send payment instructions through the secure investor portal after acceptance. No receiving account is supplied in this agreement. General notices are delivered to the email address recorded in Schedule A. Evidence requested during review is due within 10 Business Days after receipt of the request.
